Re: **Joelle Amar v. 195 Realty LLC**
1:23-CV-06531

Dear Judge Oetken,

I write today with the consent of all parties.

J. PAUL OETKEN
United States District Judge

Please be advised that the parties have completed the SDNY Mediation process in this matter on March 21, 2024, and we are happy to report that we have agreed on a settlement in principle. To date, we have not received the closing papers that the defendant wishes to prepare to settle this matter formally and finally.

As such, we ask the court to allow the parties 30 to 45 days to file a stipulation of dismissal so that during that time the parties can finalize closing papers (general release, etc.), receive payment and have that payment clear. The filing of a stipulation of dismissal before that will result in the court losing jurisdiction over this matter hence making any settlement issues that may arise, although not anticipated, far more complex.

We thank the court in advance for its attention and consideration.

Very truly yours,
THE LAMBROU LAW FIRM PC
